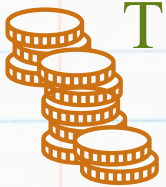
School Letter Grade

The Arizona Department of Education (ADE) assigns each school a letter grade based on spring 2022 Arizona's Academic Standards Assessment results. When the information is received, we will notify our community.



Title I funds help our school maintain / improve our school score by improving student achievement through the strategic use of federal funds.

School Letter Grade

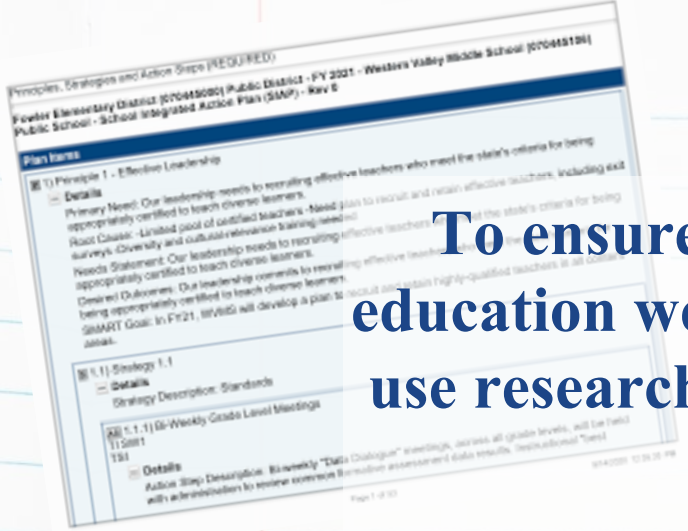
School grades are based on:

- The percentage of students who passed the Arizona's Academic Standards Assessment (AASA) exam.
- The percentage of students who attained academic growth reaching or exceeding grade level expectations.
- Additional factors such as the percentage of students evaluated, reclassification of English language students.

Integrated Action Plan (IAP)

Our school leadership team composed of staff and families completed a needs assessment in the spring. We address student needs and allocate Title I resources to support:

1. Well trained staff using effective teaching practices
2. To provide intervention for struggling students
3. Families to help students achieve in school



Integrated Action Plan (IAP)

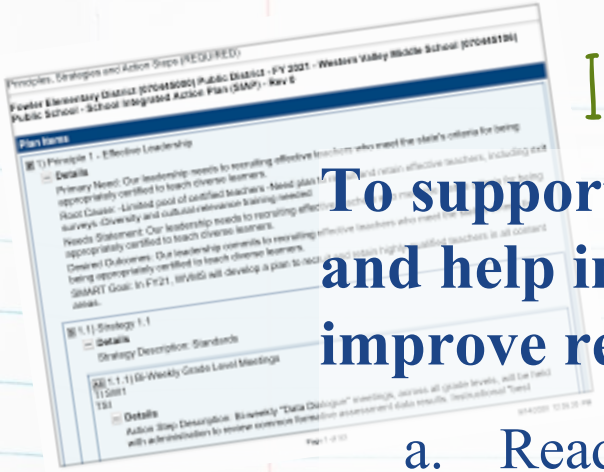
To ensure that all students receive a high-quality education we employ appropriately certified staff, who use research based instructional methods. Our school plan includes the following:

a. 48 minutes of regular reading instruction per day.

b. 48 minutes of regular mathematics instruction per day

c. Teacher Training in Math and ELA Instruction

d. Curriculum Service Provider to support teachers with Best Practices



Integrated Action Plan (IAP)

To support struggling learners with additional resources and help in reading and mathematics, our school plan to improve reading achievement includes the following:

a. Reading/Math Interventions- BOOST Afterschool Program
