MANSFELD'S QUEST... TO BE THE BEST!

Family Engagement Minutes

December 7, 2023

C. Mosconi called the meeting to order at 5:35 pm in the Library

Members Present: Carolyn Mosconi (facilitator), Crystal Wilson (teacher 7th grade), Kirsta Mosconi (CSP and VILS), Luke van Schie (principal), Susan Wahl, (parent/PTSO president), Audrey Nelson (parent), Nicole Roldan (parent)

This was our first official Family Engagement meeting outside of the Site Council meetings. Carolyn Mosconi went over the agenda about:

Why we were forming the group?

What do we want to work on?

What is our intent?

What outcomes are we looking for?

And discussion about how we will show evidence about our one-year goal.

Carolyn began by stating we wanted to increase the reading and math abilities of our students with the support of the U of A tutors.

Everyone was engaged in the round table discussion and Crystal Wilson had many good suggestions. We were encouraged to offer workshops to parents for various things like, how to use the computers/lpads etc.

We adjourned at 6:00 pm.

Our intent is to increase the Mansfeld parent engagement at our school.

NEXT MEETING: January 11,2024
