

MANSFELD MAGNET MIDDLE SCHOOL

Family Engagement

5:30-6:00

November 6, 2025

AGENDA

Welcome Parents and Guardians,

1. This is our second of four Family Engagement meetings for 2025-2026 school year.
2. Please share something positive specifically about your child today.
3. A suggestion for having a “Social Night” just for parents was brought up last meeting. It was to be on a Friday evening. I found that day to be challenging for me personally to schedule, so I am confessing I have dropped the ball on finding an alternative. Any suggestions or comments would be very much appreciated.
4. We are currently tutoring aprox. 97 students mostly in math and language arts.

Thank you for being connected and supportive of your child in Middle School.

Reminder: STEM NIGHT will be next week November 13th

Next Meeting: January 8, 2026
