We hosted a “social evening” just for parents. We advertised this night widely through Mansfeld’s Social Media, Facebook, Parent Square, the Marquee and a few flyers. We asked for RSVP’s, but while only four parents attended, we are hopeful that when we try it again more families will attend.

We introduced our Principal, Mrs. Martinez, and our PTSO President, Jesus Diaz. We had a guest speaker, Martin Pacheco, from Amistades La Familia Adelante. We had a Q & A session on the use of technology. We had plans to have more subjects, but we ran out of time. We will include safety, bullying and weapons for our next Social Night.

Thank you for being connected and supportive of your child in Middle School.

Those in attendance: Karla Martinez, Carolyn Mosconi, Jesus Diaz, Alicia Allen, Araceli Gamez, and Marissa Rodriguez.
