

## MANSFELD MAGNET MIDDLE SCHOOL

Family Engagement

5:30-6:00

August 14, 2025

### Minutes

Unfortunately, we didn't have the parent turnout for our first meeting that we had hoped for. We will advertise better for the next meeting and encourage more parents to attend.

We did our usual "Please tell us something positive about your child today". It is always inspiring to hear comments from parents about their child.

We discussed having a "social evening" just for parents. This was recommended by the Family Engagement group from last school year. They feel many parents would benefit by sharing concerns and ideas about creating a successful school experience with each other.

Thank you for being connected and supportive of your child in Middle School.

Those in attendance: Jesus Dias, Alicia Allen, Kirsta Mosconi, Karla Martinez, and Carolyn Mosconi
