III. Discussion/Action

- Currently no Navigator representative- Marquez may be interested, Davidson will look into it.
- Technology Updates- Site Tech will be posted. Promethean board issue has been resolved. Many teachers and staff are having printer issues with cloud printing. Davidson asked if K. Martinez would look into the problem.
- By-Law Review and changes- we have not changed the by-laws in a few years. Davidson proposed many changes and the council discussed it. The by-laws were updated to reflect the changes and the draft will be brought to the next meeting for final review.
- Uniform proposed changes- Navigator team liked the addition of grey and black as options to the hoodies and the Mansfeld shirts. 7th grade liked the idea of black/grey hoodies. 6th grade does not want to add black hoodies because it is not our school color, but ok with grey and the Mansfeld Monday shirt idea. Student council liked the idea of adding hoodie colors and adding logos to polos. Suggested selling shirts to students or making them available to 8th grade was supportive of both Mansfeld Monday and adding grey and black hoodies. E. Allen shared that parents she talked to C. Davidson will bring our current policy to next meeting so we can start to make edits.

Next Meeting Agenda item(s): Tax credit balance update, personnel update from admin, afterschool activity stipends, by-laws and uniform changes.

Adjournment: B. Blomquist motioned to adjourn the meeting at 5:11pm. M. Francis seconded. Motion was unanimously approved.
