

Goals For Student Achievement

The Board of Education sets goals for the entire district.

The District goals for 2025-2026 are:

- ♦ To meet or exceed state standards
- ♦ Increase parent involvement at each school

Mansfeld administrators and teachers have used the performance data of our students to decide on the areas that need the most improvement.

Mansfeld School Specific Goals:

- ♦ Improve student attendance
- ♦ Increase math and reading scores at each grade level

TUSD

We have many opportunities planned throughout the year for families to engage in practicing math and reading skills with their students:

Open House/Title I Night

S.T.E.M. –Nights

U of A Math Cats/Word Cats

and other Volunteer Tutoring

BOOST before and after school

Fine Arts Events

**Building Math and
Reading success!**

Support At School

Mansfeld Magnet Middle School will provide high-quality curriculum and instruction in a supportive and effective learning environment, which enables children to meet and exceed State academic achievement standards.

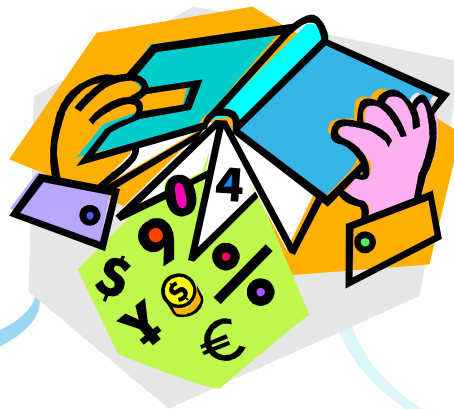

- ♦ Build a relationship with the students in all classes.
- ♦ Keep families informed of their children's progress and needs in math and/or reading on a regular basis.
- ♦ Make sure every student gets the help he/she needs as soon as it's needed.
- ♦ Send home learning materials in math and/or reading.
- ♦ Use class newsletters, this compact, Parent Square website, email to families, provide access to teachers and other staff to ensure on-going communication regarding student progress on I-Pads.
- ♦ Offer interpretation services when needed.

Our Student's Quest: To Be The Best

Mansfeld Magnet Middle School

Students agree to support their learning in the following ways:

- ♦ Ask for help from my teachers and family if I am having trouble doing my work.
- ♦ Utilize extra learning opportunities such as before and after school tutoring, "BOOST" and other mentoring programs
- ♦ Work on my math and/or reading skills at home, using materials my teachers send home.
- ♦ Attend school every day.
- ♦ Utilize the iPad that each and every student has. Do my homework everyday, and hand it in when it is due.

Support At Home

As a parent, your responsibilities are to help assist your child and agree as a family to commit to supporting their learning by:

- ♦ Monitor my child's progress and let the teacher know right away if I notice any problems.
- ♦ Use math and/or reading materials the school sends home each week to help my child.
- ♦ Help my child see how to use math and/or reading to pursue interests and goals.
- ♦ Make sure my child attends school every day.
- ♦ Attend parent workshops when offered.
- ♦ Get involved in setting academic goals for my child.
- ♦ Attend PTSO meetings, Site Council meetings, Family Engagement meetings/events, and parent conferences when possible.
