

# **MANSFELD MAGNET** **MIDDLE SCHOOL - STEM *Plus*** **MANSFELD'S QUEST... TO BE THE BEST!**

August 20, 2025

Hello Parents and Guardians,

I would like to welcome Mansfeld Magnet Middle School Bulldog Parents and Guardians.

I am Carolyn Mosconi, the School Community Liaison at Mansfeld Middle Magnet School. It is with pleasure that I am beginning my fifteenth year here at Mansfeld.

At Mansfeld Middle Magnet STEM plus School we are excited to begin the new school year 2025-2026.

We can offer some assistance to families who at one time or another may find themselves in difficult situations. I am available to offer possible services for emergency needs such as food, clothing, referrals to social services, and counseling. Additionally, I will help students with academic tutoring or mentoring, medical or dental access, immunizations, and physicals.

Parenting is one of the most wonderful and yet challenging things you will ever do! We are here to collaborate with you on your child's education.

**When parents are partners with their children and their education, everyone wins!**

If you find your family in need of help or just have a question concerning your child, please email me [Carolyn.mosconi@tusd1.org](mailto:Carolyn.mosconi@tusd1.org) or call 520-225-1834.

Respectfully,

Carolyn Mosconi

School Community Liaison
